Great Lakes Orthodontics, LTD.

An Employee Owned Company

Our Vision
"Delight our customers. Respect and help our co-workers."

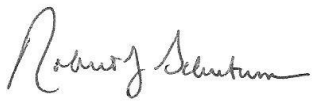

March 13, 2014

To Whom it May Concern:

The manufacturer of Cutting Burs (product number 085-027) has informed us that its product does not contain any materials defined by OSHA to be a physical or health hazard. Therefore the manufacturer states that no SDS has been prepared or is required.

It is suggested that you keep this letter in your files for future inquiries regarding the safety of this product.

Very truly yours,

Robert J. Schutrum
Health and Safety Director
